The makkans total claim is for Rs 10097-8-0 which consists of the following items :—

(1) 418-00
(2) 3901-14-0
(3) 985-4-1
(4) 1743-6-5
(5) 3049-0-0
10097-8-6

From the comptrollers figures, it will be seen that there is complete agreement between the makkans claims as regards items 1 3 & 5 for 418-00, 985-4-1 & 3049-0-0 respectively. The only variations are in the

in items 2 & 4.

A As regards item 4, the M.C. has stated that a sum of Rs 52-6-3 only of Rs 1743-6-3 was deposited towards Kani Ingam & the balance of 1691-00 was credited to Savings bank. With this explanation, the amounts agrees with the figures furnished by the Comptroller & may therefore be taken as verified.

The only other item is one for Rs 3901-14-0 and as against this the Comptroller has taken credit of only Rs 519-5-3. From the D.C.'s letter no. M.C. 663 of 14.3.21, it will be seen that that only Rs 3901-14-0 a sum of Rs 1970-0-0 was paid to the mortgagee of the land purchased by Govt. and the balance of Rs 1931-13-3 was placed in the Savings bank in 1920 in the name of the mahabasa. Only the latter sum the Comptroller has shown Rs 519-5-3 as having been kept in deposit. The present claim is therefore for Rs (1931-13-3 — 519-5-3) = Rs 1412-8-0. ~~The D.C. may perhaps be asked to explain for this difference as soon. have not yet been paid any portion of the difference.~~

From paras 83 & 88 of the note it will be seen that a sum of Rs 1412-8-0 is due to Mr Markham on account of compensation due to the acquisition of certain lands for the Burial Ground & Extension of Ratlabagh.

From statement in Rte 0/0 377-15 it will be seen that the Hindu Burial Ground & Cemetery Committee retained of Ratlabagh - Rs 1500-00 + Rs 140-10-0 + Rs 1443-12 and the balance of this amount, Rs 1570-0-0 have been paid to the mortgagee of the land & Rs 575-5-3 have been paid to the Savings Bank account.

The question was as to how the balance of Rs 1412-8-0 was to be met. The Municipality says that the Hindu Cemetery & Gardens Dept have to pay this with interest but the Hindu Cemetery have stated that it is not possible to consider this claim at this distance of time & the Gardens Dept have stated that no records are available in that office.

The Municipality says that this claim for this amount need not be entertained further as it was not forwarded in time. This is for consideration

It is seen from the Registrar's letter of 3/5/18 that the Compensation of 7640-10 awarded on account of Kallayi extension lands was appropriated for mortgages of land acquired for burial ground & cemetery & for purchase of Kallayi extension. How the money paid for Kallayi extension grounds came to be appropriated for lands required for Mudel is not clear. The whole transaction was perhaps treated as one to be paid by Mudel after the whole of the balance has to be paid by Mudel only. Otherwise all of the funds from which these charges were met are supposed to have come from the Gardens Department, then Mr Mudel will have to pay Rs 813-8-3 & this not by the Gardens Dept. But it is stated that no records are forthcoming in any of these offices as to the amount paid or due by Mudel. It is not known whether the records relating to acquisition & payment for these lands will not be available in the Registrar's office. If further enquiry about the matter will have to be dropped at this stage, perhaps.

The Comptroller wants to know in his note of 28-8-1930 on what account the total amount of Rs.2698-14-0 was originally deposited. From the papers received from the court through the Financial Secretary, the position appears to be as follows:-

S.Nos.10,13,14,15 & 16 were acquired ~~in~~ in 1889 for the extension of the Lalbagh. An award of a total sum of Rs.3838-14-0 was --- passed for these 5 survey numbers as per --- details noted below:-

Rs.3838-14-0 on 16-12-1890 in addition to a sum of Rs.815/- subsequently awarded to him. This left a balance of Rs.2698-14-0 which is referred to in the Comptroller's note.

1471 2. It appears from the record now available, that out of the sum of Rs.1640-10-0 awarded for S.Nos.10 & 16 belonging to the Attavulla Sha -- Darga and included in the sum of Rs.3838-14-0, a sum of Rs.1121-4-9 was paid to the mortgagee of part of S.Nos.10 and 2 and the balance of ----- Rs.519-5-3 was credited to the Savings Bank --- account of the Darga.

1147 3. The payment of Rs.234-6-0 referred to in the Comptroller's note may have possibly been made towards the compensation of S.No.13 as the award amount for that land is the same figure.

It is seen from the above that the ------- compensation for S.No.2 and 5 now claimed, is not included in the sum of Rs.2698-14-0 referred to in the Comptroller's note.

No.2050-1/ Muz. 125-21-2 dated 27th October 1921 Government ordered the compensation of Rs. 3049/- awarded to the above Darga on account of land for shop-sites on the Hoskote Road also to be deposited in the Savings Bank account on behalf of the Darga. In this Office letter No. 2847 dated 6-12-21 to the Comptroller both the above sums aggregating to ~~Rxxx~~ Rs.*4980-13- were ordered to be withdrawn from S.B. and invested in the 7% loan of 1921. The Comptroller replied on 9-12-21 to the effect that he had requested the Dy. Commr., Bangalore to adjust Rs. 4975/- on the purchase of the above bonds, as it was the nearest denomination of bonds available for the said amount. With reference to a petition from the Makhandar a reply has been given stating that Rs. 4975/- has been invested in the 7% Loan on 4-4-1922. No action on the above lines seems to have been taken as on 1-8-1922 the Comptroller requested information whether Rs. 4750/- might be withdrawn from the S.B. and credited to State Loan. The Pass Book forwarded by the Comptroller is stated in the notes to have made no mention of Rs. 1931-13-3 but had entries of credit of Rs. 3049/-

on 20-7-1921 and 1691 on 27-2-1922 which latter represents the award amount for lands acquired for Visveswarapuram Extension - (Rs. 1743-6-3 minus Rs. 52-6-3 Kandayam i.e. Rs. 1691/-). The Deputy Commissioner was requested in this Office letter No. 1108 dated 6-9-1922 to forward to Government the Pass Book wherein Rs. 1931-12-3 was deposited in the name of the Darga as stated by him in his letter of 14-3-1921. To this there has been no specific reply so far. // On 30-7-1923 Rs. 519-5-3 was paid to the credit of the Darga out of a deposit of Rs. 2698-14-0 (Vide Paras. 119 and 148 of the Note It will thus be seen that a sum of Rs. 1412-8-0 as per rate sanctioned in the orders of 5th Nov. 1912 and 11-5-1920 is still panding payment to the Darga on account of lands acquired for the extension of Lal-bagh and for forming the Hindu and Mahomedan Cemetries. This amount is ~~not~~ traceable ~~to~~ under any ~~this~~ deposit.

The P.U.D. further raises the question of a difference in the acrage of S.No. 2 referred to above. The statement submitted by the R.C. in 1920 mentions it as 8 acres and 7 Guntas. Whereas it is now made out in the P.U.D. to be 10 acres 34 guntas thus showing an excess of 2 acres and 27 guntas. // Further, ~~add.~~ A claim is ~~also~~ made to the extent of Rs. 400-8-0 paid as interest ~~in~~ to the mortgagee of S.Nos 2 and 10. // Kind reference is invited to the minutes of the then Member in charge at para. 69 as regards the claim for interest in favour of the Darga which is now recommended

Rs 519-5-3 is Tm balance after payment of Rs 328-0-11 plus Rs 795-3-10 ie Rs 1121-4-9 to a mortgagee out of Rs 1500/- plus Rs 140-10 ie Rs 1640-10-0 awarded for S.Nos 10 & 16.

This naturally leads to the question as to what became of the Compensation amount awarded viz Rs 1412-8-0 and which has been credited to the Mahan. The D.C. in his letter Dy 30/3/36 to the M.C. copy of which has been sent with the P.W.D. has stated that "an attempt was made to get the original acq. records but the papers could not be traced and the attempt was unsuccessful". In these circs it is for orders whether the sum of Rs 1412/8/- may be ordered to be paid to the Mahan to be paid and if so from what funds. Perhaps the amount may be ordered to be paid from the State Funds & the matter closed. (If any may be consulted)

This does not seem to be correct. Pl. verify

187 The definite statement made by the DC in 1920 that the amount was credited to the Mukam cannot be treated as incorrect merely because in the SB account we know of there was no credit between 1907 and 1923.
Was there only one account in the name of the Mukam? It is possible that there were more - It sometimes happens that there is an account in the name of Mehmildar for an institution and one in the name of the manager.
Could this be verified?

A definite statement made by the D.C. cannot be discounted in this manner unless the S.B. Cash Book we have does not show an entry corresponding to the D.C's report. It is possible that it was credited to an account recently opened. Will the Treasury be able to give information whether any new account was opened in the month of D.C's report with the said amount as starting credit?

Properties belonging to this Durga have been acquired at various times from 1879 to 1920. The total sum awarded amounts to Rs10097-8 6. Rs.6776-2-6 was deposited in Savings Bank account to the credit of the Durga and a portion of this has been invested in Government securities. Rs.1970-0-9 has been paid to mortgagees. Rs.52-6-5 has been paid on account of Kandayam. The balance of Rs1412-8-0 out of the amount awarded, it is inferred, has not been credited to the Durga account. From the statement sent by the Muzrai Commissioner in April 1935 it is seen that this amount remaining uncredited is constituted of Rs.717-8-0 awarded in 1879, Rs.100 awarded in 1901 and Rs.595 awarded in 1893. The departments for whom these properties were acquired appear to have paid the amounts to the Acquisition officer. The acquisition records are not available and it is not possible to state at this distance of time how these amounts were disposed of by the Acquisition officer. In the ordinary course, they must have been credited to the Treasury by the Acquisition officer. They have not been subsequently transferred to the Durga account for some reason or other. It appears from the records that for a long period the amounts were kept in deposit in order that the Durga might select other lands in lieu of the lands that were acquired. This may be the reason why the amounts were not paid to the Durga account, and the matter was lost

sight of ~~for~~ after sometime. The items of deposit are not verifiable at this distance of time as the acquisition records and the Treasury Account registers do not appear to be available. It is clear that, so far as the Durga is concerned, it has not received Rs.1412-8-0. The probability is that the deposit made by the Land Acquisition Officer has lapsed to Government, as it was not paid out to the Durga. This amount may be paid to the Durga account by the Government, or in the alternative, some lands may be selected and given to the Durga in lieu of this amount.

It is ascertained that there is no possibility of Rs 20,000/- meeting the cost from the allotment made for "Bangalore City Improvement" in the current years budget for the following reasons:-

1) A sum of Rs 25000/- has so far been incurred
2) 30,000/- for Excavation to water supply
3) 15,000/- for the Minor works in the year.

Under Instr. of Town & Minor Municipalities nearly Rs 20,000/- has been spent out of Rs 1,00,000/- which is ascertained that it is too soon to say whether there would be any saving remaining unspent out of the provision made for it in the current years budget unless a revised Estimate is ready which would be probably nearly a months hence A Note is already ordered & placed in the File. Memo re: the amount at the credit of Attavulla Sha Darga, Bangalore Taluk.

---

1. Land acquired for Model Farm and the compensation deposited in the Government Savings Bank Book No. 6247/5-1-07 Rs. 418/-.

Out of compensation of Rs. 1858-14-7 awarded for survey No.130 of Dodbaikanavillage, Bangalore Taluk, a sum of Rs. 418/- has been invested in the Government Savings Bank and the interest was being paid to the Manager of the Attavulla Sha Darga under the authority conveyed in para 11 of Government Order No. 6308-9-261 dated 22nd December 1888. The Amildar, Bangalore Taluk, reports that the interest on the amount has been so paid to the Makkandar, till the end of the year 1919-20 and thereafter out of the said Rs. 418/- a sum of Rs. 406-6-0 was invested on 3rd September 1920 in the 6½ per-cent State Loan.

2. Land acquired on 28th June 1915 for Lal-Bagh main gate Extension. Compensation awarded Rs. 985-4-1.

A compensation of Rs. 985-4-1 was awarded for 27 guntas of land out of survey No. 41 of Mavalli village, Bangalore Taluk, belonging to the Makkan in 1915. The amount, which was intended to be devoted to the purchase of other lands for the Makkan, happened eventually to be credited to Ain Jama viz., Muzrai Funds. On the representa-tion of the Manager of the Makkan, instruction was issued to the Amildar, Bangalore Taluk, to investigate the matter and he has accordingly after correspondence with the officer in charge, State Huzur Treasury, submitted a refund bill for the amount, so that the amount may be invested in the Savings Bank Account opened in the name of the Amildar, Bangalore Taluk, on behalf of the institution. The above refund bill had been forwarded to the Muzrai Commissioner for favor of sanction with this office No. H.C. 936 of 20-21 date 1st February last and has been since returned duly sanctioned with

with Muzrai Commissioner's No. D_2 Dis. 499 of 22-23 dated 5th 1923.

3. Land acquired on 17th August 1918 for Visveswarapuram, Compensation awarded $ 1,743-6-5.

An extent of 1 acre 30 guntas out of survey No. 38 of Dodbail Khana village, belonging to the Wakkan was acquired at a compensation of 1743-6-5 and the Mysore Bank cheque received for the latter amount was cashed and the amount credited to Revenue Deposit in the State Huzur Treasury on 5th September 1919. The amount in question was withdrawn from the head Revenue Deposit and after meeting out of it $ 52-6-5 towards certain kandayam due from the Institution, the remaining amount of $ 1691/- was credited to the Savings Bank Account kept for the institution on 27th February 1922. The sum at the credit of the Institution at the end of 1921-22 was $ 4755-6-4. As Government in Muzrai Secretary's letter No. 2847/Muz.125-21 dated 6th December 1921, to the Comptroller, desired that the funds remaining in the Savings Bank Account on account of Attavulla Sha Darga should be invested in 7 per cent State Loan of 1921, an application has been made to the Comptroller in this office No. H.C.400 of 21-22 dated 21st July 1922 to invest $ 4750/- out of the above $ 4755-6-4 in the 7 per cent State Loan.

SIR,

Adverting to letter no. 2847/Muz. 125-21-6 dated 6th December 1921 directing the investment in 7% loans of 1931 of a sum of 4,980-12-3 being the amount of compensation paid to Attavalla Pha Darga of - bangalore, I have the honor to state that it has since been ascertained after communication with the Muzrai Commissioner (a copy of whose letter no. C590of22-23/Bulore dated 31-3-23 / 4-4-23 is enclosed for information) and the Deputy Commissioner, Bangalore, that a sum of R4,750/- only may be invested in the State Loan.

I have accordingly written to the Officer in charge of the State Huzur Treasury to make necessary write back of interest already credited to the Savings Bank account in which the amount has hitherto been included and I am issuing a stock certificate for 1,750/- in the name of the Dewan of Mysore as usual to be held in trust on behalf of the Darga.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.

Copy of letter No.C.590 of 22-23 dated 31st/4th April 1923, from the Muzrai Commissioner in Mysore, Bangalore, to the Comptroller to the Government of Mysore, Bangalore.

==========

Adverting to your letter No.Sl.4335 dated 17th March 1923 stating that pending reply to your letter No.746/Sl dated 2nd August 1922 addressed to the Muzrai Secretary, no reply was given to the Deputy Commissioner, Bangalore District, to his letter No.H.C.400/21-22 dated 21st July 1922 regarding the investment of R$4,750/- available at the credit of Attavalla Sha Darga near Lal-bagh, Bangalore City, I have the honor to state that from Savings Bank Account No.6247 it is seen that the marginally noted amounts have been deposited in the Savings Bank in favour of the Darga and the sum of R$1,931-13-3 sanctioned in Government Order No.12876-7/L.R.372-19-2 must have been credited in the Savings Bank under a separate account (Vide para 8 of Deputy Commissioner's letter No.663/20-21 dated 14th March 1921 to the Muzrai Secretary, extract of which is enclosed for reference.

1918	...	1691-0-0
1921	...	3049-0-0

The Deputy Commissioner further states that there are several items of compensation due to the institution still to be traced in the treasury account. A refund bill for R$985-4-1 has been recently sanctioned in this office order No.D2 Dis.499/22-23 dated 6th March 1923 to be withdrawn from "Ain Jama" and be invested in the Savings Bank account of this institution.

The other Savings Bank account book in favour of this institution was called for by the Muzrai Secretary from the Deputy Commissioner, Bangalore District, to reply your letter No.746/Sl dated 2nd August 1922. But since this was not received from that

office

officer no reply appears to have been given to you from the S tariat.

In the present circumstances it is suggested that a sum of R$4,750/- may be immediately drawn from the Savings Bank Account No.6247 and invested immediately and the remaining amount viz., R$1,931-13-1 and other items which would be traced subsequently be offered later as they become available to make up the balance R$50,000/- required by you for investment in 6½% State Loan.

On receipt of this Government Order through the Revenue Commissioner on 19th May 1920, instructions were issued on 21st May 1920 to the Sub Division Officer, Bangalore, for taking necessar action in the matter. Sir,

Adverting to correspondence ending with your letter No. C.590 dated 13-10-1923, submitting report re the compensation amounts awarded to and payable to Attavulla Sha Darga at Bangalore, and recommending that as prayed by the Sajjada, the investment of the Darga Funds on house pr perty ~~on account of some religious objection~~ may be sanctioned, I am directed to request that the Deputy Commissioner may be instructed to investigate and settle all items of compensation still due to the Darga and submit a final report ~~submitted~~ to Government early.

2. As regards the investment of the money, Government ~~consider to state~~ that ~~the~~ ~~investment~~ its investment on house property, ~~of the money in the Government Loans is~~ much safer and more ~~yielding~~ than ~~its~~ investment on house property, though it is objectionable from an orthodox point of view. From,

Peerzada Syed Shah Gulam Ali Shuttari,
Sajjada of Hazarath Syed Athavulla Shah Saib's Darga
LalBagh Road, Bangalore City.

To,

The Muzrai Commissioner
to the Govt. of His Highness
the Maharaja of Mysore,
BANGALORE.

Sir,

In respect of certain amounts of money granted by Government towards the acquisition of certain lands belonging to the Darga, in respect of three items, which runs to a total of Rs. 5,777-10-6 which falls at the credit of the Darga in different years from 1915, I wish to state that the Muzrai Secretary, in his No.5521/Muz.125-21-11 dated the 4th April 1922, informs that the sum of Rs. 4,975/- has been arranged to be invested in the new 7% loan. Though this amount ought to have been invested in the Government Savings for the benefit of the Darga the amount which fell to the credit of the Darga from the dates they fell due to the Darga, it was not done and even after the above endorsement of the Muzrai Secretary, the above amount has been invested in the New 7% loan only in June 1923. That I therefore request you to kindly see to the best interests of the Darga, and cause interest to be calculated at the usual rate from the dates the different sums of money fell due to the credit of the Darga and pay the same for the expenses of the Darga. As a matter of course the interest on this amount will be paid from the month of June 1923 as it has been invested from that date.

2. Further I wish to state that in the Interpellations at the Meeting of the Mysore Legislative Council on 27th June 1921, a question was raised as to the extent of land

belonging to the Darga acquired for public purpose and the amount of compensation awarded and as to why such amount has not been paid to the Sajjada of the Makkan or invested in the Government Savings Bank for the benefit of the Makkan to which Government have replied that 29 ac. 22 Guntas of land has been acquired and Rs. 3,901-14-0 has been awarded as compensation and out of this amount so granted for acquisitions made till ~~the~~ 1901, a portion was paid to the mortgagees of that land and the balance has been deposited in the Government Savings Bank for the benefit of the Makkan.

That I wish to request you will be pleased to order the payment of the full amount of interest accrued to date on such amount as has been deposited in the Government Savings in this respect, as not a single pie has been paid to me from the very beginning, i.e., from the date such amount fell due to the credit of the Darga (Makkan). Awaiting early disposal.

For which act of kindness, I shall feel highly thankful,

I remain,
Sir,
Yours very faithfully,

Bangalore,

To

Muzrai 125-21-23

With reference to your letter No.885/M.F.125-21-23 dated the 8th January 1924 requesting to direct the Deputy Commissioner Bangalor District to investigate and settle all items of compensation due to th Attavulla Sha Darga at Bangalore and to submit a final report to Gover ment I have the honor to forward herewith copy of letter No.H.C.936/20-2 dated the 2nd January 1925 from the Deputy Commissioner and to state that out of the*marginally noted items of compensation amounts -----

*1.	Land acquired for model farm	418	0	0	) claimed by the ------
2.	" for Hindu Mohamedan -- burial grounds.	3901	14	0	) Sajjada of the Darga
3.	For Lalbog maingate extension	985	4	1	)
4.	For Visveswarapuram "	1743	6	3	) in his memorial dated
5.	For Bamboo bazaar "	3049	0	0	)
	Total. Rs.	10,097	8	4	) 17th August 1923 which

is herewith returned, items No.1, 3 and 5 are reported to have been - deposited in the Savings Bank account.

2. As regards item No.2, it is reported that out of the sum of Rs.3901-14-0 awarded as compensation forhaving acquired certain lands in Annipur village, a sum of Rs.1970-0-9 was paid to the mortgagees of the lands as they were mortgaged by the Makkandars prior to their acquisition and a sum of Rs.519-5-3 was credited to the Savings Bank account referred to above. As the major portion of the lands were acquired prior to the year 1889 it is stated that it is not possible to say at this distance of time how the balance of Rs.1412-8-0 was ----- disposed of and that the makkandars should have preferred their claim if any then only; it seems to me, however that this amount may -

also

be credited to the makan, the delay in prefering the claim excused.

3 The sum of Rs.1743-6-3 (item No.4) was first credited to Revenue deposits and after defraying therefrom the sum of Rs.52-6-3 towards the Kandayam due on the land acquired, the balance of Rs.1691 is reported to have been credited to Savings Bank deposit.

4 Thus a sum of Rs.6662-9-4 was credited to the Savings Bank deposit and the interest thereon is said to have been paid to the makkandar from time to time. Out of the above amount a sum of Rs.406-6-0 was invested in 6½% State Loan and a sum of Rs.4750/- in 7% State Loan. The Deputy Commissioner reports that the balance at the credit of the institution now in the Savings Bank deposit is Rs.1713-15-2. The interests on the Loan bonds referred to above were also paid to the Makkandar.

5 The Deputy Commissioner states that the Sajjada of the Darga requests that a sum of Rs.303-8-2 being the value of houses and trees which were on the lands acquired for Lalbag extension may be paid to himself as the makkan is entitled to the compensation of Rs.6811-11-11 awarded for the site alone. In this respect it is stated that the Sajjada has not adduced any proof that the houses which were on the site were not constructed out of the makkan funds and that the claim should have been preferred before the acquiring officer.

6 As regards the request of the Sajjada for payment of interest on the compensation amount from the date of its award till the amount was deposited in the Savings Bank, a statement showing the date of award of each amount and the date of its payment into the Treasury received with the Deputy Commissioners letter is herewith submitted for perusal. Under Sec:34 of the Land acquisition Regulation interes is admissible from the date of taking possession of the land to the date ofpayment of compensation and this interest may be allowed into the Savings Bank.

7. The Deputy Commissioner stated that further enquiries will be made if the makkandar produces references to show that the properties were taken possession of before the date of payment of

compensation

compensation amount into the Savings Bank.

I have the honor to b e,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.H.C.936/20-21 dated 2nd January 1925 from the Deputy missioner Bangalore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.590/22-23 dated 7th April 1924 calling for a final report as to the Settlement of all items of compensation still due to the Athaullasha Darga at Bangalore, I have the honor to state as follows:-

The Sajjada of the makkan in his petition dated 17th August 1923 (received with your letter No.C.590 of 22-23 dated 11th January 1924) states that the following amounts awarded as compensation for the acquisition of makkan lands, are laying unproductive:

1. For model form	418/-
2. For Hindu and Mahamedan burial grounds and extention of Lalbagh.	3901/14/0
3. For Lalbag maingate extension.	985-14-1
4. For Visveswarapuram extension.	1743-6-3
5. For Bamboo Bazaar extension.	3049-0-0
Total.	10098-2- 4

Of these, the 1st 34d and the 5th items were credited to --- Government savings Bank account No.6247 on 5th January 1907, 29th June 1923 and 27th September 1921 respectively.

As regards items No.2, the amount of Compensation awarded for the acq isition of S.Nos.2, 5, 10 and 16 of Annepura village was -- Rs.3901-14-0 as detailed in the margin. As some of these lands had been maotagaged by the makkandars prior to the acquisition a sum of

Total.	29	22		3901	14	0	1970	0	9	1931	13	3

Rs.1970-0-9 was paid to the mortagees. Out of the balance of --- Rs.1931-13-3, a sum of Rs.519-5-3 was credited to Savings Bank accou on 31st August 1923 leaving a balance of Rs.1412-8-0. As already reported in my letter No.C.C.3374/22-23 dated 24th September 1923, further references relating to the above said balance could not be -

kxxxx be traced in this office of in the Taluk

As regards the last item (viz. Rs.1743-6-3) this was awarded for the acquisition of 1 acre and 20 guntas of land ou of S.No.38 of Doddahylekhane was credited to the Revenue Deposits on 5th September 1919 at first. Subsequently a sum of Rs.52-6-3 out of this, being the arrears of Kandayam due from the Makkan was deducted and the balance of Rs.1691/- was credited to Savings Bank Account No.6247 on 27th February 1922.

Interest on the Savings Bank deposit was paid to the makkandar from time to time. Out of the principle, a sum of Rs.406-6-0 was xxxxxx withdrawn and invested in the 6½% State Loan on 3rd September 1920 and a sum of Rs.475O/- was withdrawn and invested in the 7% State Loan on 7th June 1923. The amount now at the credit of the makkan is Rs.1518-15-2 and this continues as a deposit in the Savings Bank.

The interest on the State Loan investment from 1st November 1921 to 31st October 1923 (viz., Rs.529-15-4) was also paid to the Makkandar.

As regards the scale of expenditure for the institution ---- proposals called for from the Sub Division officer have not yet been received. On receipt of the same necessary steps will be taken.

4. Thus the points referred to by the Sajjada of the makkan as remaining to be disposed of are.--

(1) that Rs.1412-8-0 out of the compensation awarded for the acquisition of lands in S.Nos.2, 5, 10 and 16 of Annepura village have not been credited to the makkan accounts.

(2) that out of Rs.955-4-1 awarded as compensation for the acquisition of lands in Mavalay, a sum of Rs.303-3-2 being the value of the houses and trees on the lands and proportionate statutory allowance may be paid to him.

(3) that interest on the compensation amount is due from the date of award order till the amount was deposited in the Savings Bank.

As regards the first point, the award was for the acquisition of lands in Annepura village for Hindu and Mahomedan burrial grounds and the Lalbag extention. References relating to the payment of Rs.1412-8-0 are not available, as the major portion of the lands were acquired prior to the year 1889, and it is not possible to state

state at this distance of time, how the amounts were disposed of. The makkandars should have preferred their claims if any at the time.

As regards the second point, the award order shows that out of Rs.985-4-1 awarded, a sum of Rs.681-11-11 was for the land Rs.175/- for tiled houses and the trees on theland and Rs.128-8-2 as statutory allowance. The Sajjada of the makkan says that out of the compensatic amount a sum of Rs.681-11-11 alone is due to the makkan and the rest to himself, but no proof has been adduced that the houses were not put up out of makkan funds. His claim should have been preferred before the acquiring officer at the time.

As regards the 3rd point, a statement showing the date of award of each amount and the date of its payment into the Treasury is herein enclosed, but information is not avialble as to the date on which the properties were taken possession of by the Municipal President. Under Section 34 of the Land Acquisition Regulation, interest is admissable from the date of taking possession of the land and not from the date of award and the claim for interest, if any, is time-barred and should have been made at the time of passing the award. If the makandar however produces references to show that the properties were taken possession of before the date of payment further enquiries will be instituted with the Municipal Authorities regarding the interest due on the amounts."

To,

His Highness the Maharaja of Mysore,

M Y S O R E.

The humble memorial of Syed Sha Ghulam Ali Shuttari Sajjada of Hazarath Syed Athavulla Shah Saheb's Darga, Lal Bagh Road, Bangalore City.

Most respectfully showeth -

I. That the Darga of Hazarath Syed Athavulla Shah Saheb is ancient and famous. That as a mark of devotion and royal regard towards the Saint Athavulla Shah Saheb, some Inam lands were endowed with Sannads by the Ruling Sovereigns of Mysore for meeting the expenses of the Darga, Management, Charities, Sandal and Urus &c.

II. That out of the Sarva Maneya Inam lands, many acres were acquired by the Bangalore City Municipality and the Government. That the compensation amounts fixed after long delay have not been paid and nothing has been done to make up the loss consequent on the acquisitions, that the Holy Darga has suffered great loss in income and representations made to the Officers concerned have proved fruitless and their treatment of Darga affairs has not been fair and generous, that the following compensation amounts are lying unproductive with the Government.-

i. Land acquired for Lodel Farm and the Compensation amount deposited in the Government Savings Bank -Book No. 6247 of 5-1-1907 ... ... Rs. 418- 0-0

ii. Answer of Govt. to Interpellation No.12, at the Legislative Council Meeting held on 27-6-1921 ... ... Rs. 3901-14-0

iii. Land acquired on 28th June 1915 for Lalbagh Main Gate Extension Compensation. 986-14-1

iv. Land acquired for Viveswaraputam Extension on 17-8-1918. ... Rs. 1743- 6-3

v. Land acquired on 29-6-1921 near Bamboo Bazaar, Compensation ... Rs. 3048- 0-0

Rs. 10.098-2-4

III. That in case of Items i ~~and~~ or ii of the above, the Muzrai Secretary has informed in his No. 5521 / Muzrai 125-21-11 dated 4th April 22 that the compensation amounts will be held in Mysore Government State Loan and that only interest will be paid to the Sajjada for Darga expenses. That receiving interest is prohibited and against the religious orders of the Koranic Law. That Your Highness' Memorialist who is a religious Guru cannot accept interest on the compensation funds and thus go against the Holy Laws.

IV. That Your Highness' Memorialist prays most humbly that Your highness may be graciously pleased to order that no funds of the holy Darga be thus invested for interest. That Your humble Memorialist also prays that the Darga funds may be used in purchasing house property yielding rent, as income to the Darga, by Your Highness' Government, as soon as possible without further loss to the Darga. That if the Government should be unable to spare time in securing suitable house property for the Darga, the Memorialist will himself make the necessary arrangement and purchase house property which can secure reasonable rent, on the compensation amounts due being paid to him in full.

And Your Highness' Memorialist as in duty bound will ever pray.

SIR,

With reference to your letter No.1074/Muz.125-21 dated the 19th February 1929 regarding the amount due to Attavullasna Marga at Bangalore, I have the honor to forward herewith copy of the Bangalore District Deputy Commissioner's letter No.C.3-248/26 dated the 3rd July 1929 and to state that the amount due is the compensation for lands taken up for the extension and for the Burial ground. As such the Lalbagh and the Municipality have to bear the cost inclusive of interest. The Municipal President has as stated in my letter of the 3rd May 1928 written to say that as there are no records connected with the case in the absence of true particulars it is not possible to consider this claim at this distance of time. A reply has been received from the Superintendent of ~~Government~~ Government gardens that no records are available in his office. I have already stated in my letter above referred to that the claim need not be entertained as it was not pressed in time.

If at all the amount has to be paid it has to be paid by the Gardens Department and the Municipality.

The entire records received from the Deputy Commissioner are herewith submitted.

SIR,

With reference toyour letter No.399/M.F.125-21-33 dated 22-8-29 enquiring why part payments were made for acquisition of land belonging to Attavulla Sha Darga of Bangalore City and to send copy of the award passed on the occasion,. I have the honor to state that it is reported that neither the records nor the award orders are available.

2 It is seen from the records that the following lands belonging the institution were acquired for varios public purposes in the Annipur village.

S.No.	Total extent of the S.No.	Extent acquired.	Rate of compensation.	Amou of Com sati
2	14-13	7- 7	100-0-0	712-8-

3) Out of R 1640-10-0 awarded for S.Nos.10 & 16 a sum of R 1121-4 was paid to the mortgagees of portions of S.Nos.2 & 10 and the bala of R. 519-5-3 which was kept in the Revenue Deposit was drawn and deposited in the Savings Bank Account.

Out of R. 1443-12-0 awarded as compensation for S.No. 5, a sum R. 848-12-0 was paid to the mortgagees thereof.

Thus the compensation that was due to the institution in respe of S.No. 2 and a portion of S.No. 5 has not yet been paid.

As regards S.No. 2 it is seen from the Khetwar and Vasul Baki Ta that the total area of the land was A. G. 14-13 and in the re-survey during 1907-08 the extent of land out of this S.No.which was still in the possession of the Darga was formed into two S.Nos. viz., R.S. No.14 measuring A. G. 1-22 and R.S. No.16 measuring A. G. 1-37 (total of the 2 S.Nos.3-19). Therefore extent of land actually acquired out of old S.No.2 belonging to the Darga for which compensation is still due is A.-G. 10-34.

This extent of A.-G. 10-34 was acquired for the following purposes.

A.-G.	
8- 9	were utilized for the Hindu and Mohammedan burial grounds.
2-25	" given to one Appu Reddy as exchange land for having acquired his land for the Ial-Bagh Extension.
10-34	

The rate of compensation for the acquisition of this S.No.has been fixed at Rs. 100/- an acre in G.O. No.R.12876-7/L.R.372-19-2 dated 11-5-1920 In accordance with the approved rate, the compensation amount due to the institution for the extent acquired works out at Rs. 1085/-.

Out of the total area of A.-G. 8-10 forming S.No.5 an extent of A.-G. 4-34 had been mortgaged. Out of the compensation awarded, a sum of Rs. 848-12-0 had to be paid for the redumption of the mortgage and there remained a balance of Rs. 595/- which had to be paid to the Darga.

In the circumstances the Darga has to get Rs. 1680/- in all (Rs. 1085--Rs. 595 by way of compensation.

Further the facts mentioned below will also have to be taken into consideration in assessing the total amount of compensation due to the Darga. A sum of about Rs. 400/- had been paid by Government towards interest on the mortgage of S.Nos. 2 & 10 which had been taken into possession so far back as 1878 for the period between the date of possession and the date of payment of interest and this has been deducted from the compensation awarded to the Darga while the delay in payment and the consequent accumulation of interest was solely due to the action of Government for which the Darga was not responsible. In the result the Darga has lost a further sum of Rs. 400/ out of the compensation amount awarded for S.No. 10 & 16 (Vide details furnished in the margin.)

Mortgage money.

" " " Rs. 564-0-0 @ 6% for 7 years from 1889 to 1896.	231- 3-1
	Rs. 1121- 4-3

Taking the time that has elapsed from the date when the compensation amount fell due to the Darga and the actual payment thereof, the Deputy Commissioner in his letter No.C3-248/28-29 dated 22-2-30 (copy of which is herein enclosed) recommends that a sum of Rs. 2905 as per

per details mentioned in the margin may be paid to the Darga in full and final satisfaction of all the claims of the Darga out of the General revenues, as the Municipality has declined to pay it at this distance of time, in view of the facts that the lands have been acquired for the extension of Lal-Bagh and for the Hindu and Mahomeddan burial ground.

2) The claim is long outstanding and requires to be settled immediately. The Deputy Commissioner's proposal is quite equitable and I beg to recommend that it may kindly be sanctioned very early.

3) The records bearing on the subject are herewith enclosed for kind reference and obliging return.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

As regards representation (a) it would appear from the available records that in 1878 an area of 7 acres - 7 guntas out of Maji S.No.2 of Annipur Village, Pangalore Taluk, was ordered to be taken up for a Hindu Burial ground. It would also appear that 4 acres - 25 guntas out of 7 acres - 7 guntas was in the possession of the Darga and the rest 2 acres - 22 guntas in the possession of Mavalli Lakappa as mortgagee. From a private copy of the Judicial Assistant Commissioner's order of 18-6-1879 in O.S. No.64 of 1879 on the file of his Court produced by the Manager of the Darga but which is not in this office records it is seen the land value was fixed at R. 30/- per acre amounting to R. 215-4/- and the value of Malki R. 508/- and the total is R. 723-4-0. This order of the Judicial Assistant Commissioner mentions the numbers out of which the area was taken up for the Hindu Burial ground as Nos.1 and 3 and does not make any reference to the fact of a portion having been mortgaged to Lakappa and there is further nothing to show that this order of the Judicial Assistant Commissioner was given effect to or that this order relates to this particular land. For, we find that consequent on the agitation of Lakappa, Government ordered in their order No.8026/R.3133 dated 6-3-1896 that Lakappa should be paid his mortgage money with interest at 6% per annum from the date of dispossession. Lakappa was accordingly paid a sum of R. 326-0-11 on 15-3-1898 in redemption of his mortgage along with certain other sums due to him as mortgagee of portions of S.Nos. 10 and 16 of Annipur belonging to the Darga. The receipt given by Lakappa on 15-3-1898 shows that this sum of R 326-0-11 is made up of R. 156-12-9 principle and R 169-4-2 interest.

It would appear that it was later on found that the area which was in possession of Lakappa in S.No.2 was 3 acres - 25 guntas and not 2 acres - 22 guntas. However, of this area of 3 acres - 25 guntas, an extent of 3 acres was given to Appa Reddy as land compensation under the Deputy Commissioner's oral orders together with some money compensation for his chattram and lands attached thereto which had been acquired for the extendion of the Lal-Bagh. Subsequently, the remaining extent of 25 guntas together with 15 guntas out of the 3 acres given to Appa Reddy were appropriated for a Mahomedan Burial ground.

The authorities of the Darga having later on complained that a larger area than 8 acres - 7 guntas (7-7 plus 1 acre) had been appropriated

appropriated for the Hindu and Mahomedan Burial grounds, the District Surveyor was deputed to measure the area covered by them. On actual measurement the District Surveyor reported that 8 acres - 5 guntas had been used as a H.i n d u Burial ground and that 1 acre - 13 guntas had been used as a Mahomedan Burial ground, vide District Surveyor's report Flag G. On further references from the Deputy Commissioner, Government in their order No.R.2469-73/L.R.518-06-11 dated 5-11-1912 ordered that as the extent covered by the Hindu and Mahomedan Burial grounds was given by the Deputy Commissioner as 8 acres - 7 guntas (7-7 plus 1 acre) and by the District Surveyor as 9 acres - 18 guntas (8-5 1 acre - 13 guntas) the area actually appropriated should be precisely determined and the Darga paid compensation at Rs 100/- per acre. No further action seems to have been taken under the Government Order and adopting the measurements given by the District Surveyor, the total area taken out of S.No.comes to 8acres 5 guntas plus 1 acre - 13 guntas = 9-18. In your letter No.C.197/25-26 dated 18/20-10-1927 it is stated that a sum of R 817-8-0 being the compensation amount for S.No.2 acquired for Hindu Burial ground is still due to the Darga; presumably the amount was calculated at R 100/- per acre and that for 8 acres 7 guntas. But the Survey Accounts -- Vasul Baki Takta and account No.8 show that the area of old S.No.2 was 14 acres - 11 guntas, that the portion that remained to the Darga after giving deductions for Burial grounds &c., was divided into 2 S.Nos. viz. S.Nos.14 and 16 measuring 1 acre - 22 guntas and 1 acre - 37 guntas respectively at the time of Re-Survey, that out of the remaining extent of 10 acres - 35 guntas remained with Appareddy. It is therefore possible that an area of 8 acres-9 guntas only (10 acres - 34 guntas minus 2 acres - 15 guntas) might have been utilized as Burial grounds. It may therefore be now taken that the area of 8 acres - 9 guntas is final and the compensation for this area at R. 100/- per acre amounting to R. 822-8-0 may be considered as being due.

The Manager of the Darga having claimed interest on the amounts of compensation due in respect of 9 acres - 18 guntas in question and the Muzrai Commissioner in his letter No.C.197/25-26 dated 15/20-10-1927 having acquired from ~~that~~ what date the interest has to be paid, the then Deputy Commissioner in his letter No.C3-248-26 dated 13-3-28 has reported that interest may have to be calculated from 1893. In letter No.1496/Muz.135-21-26 dated 16-4-1925, the Revenue Secretary has stated that the party will be entitled if at all to interest from the date of the award till the amount

amount was paid to him or placed at the credit of the institution in Savings Bank or other investment. In the case in point the compensation amount does not seem to have been paid because it is on record that the amount was kept by in anticipation of the party selecting some suitable land to be granted to the Darga in exchange for the lands acquired and the Managers of the Darga failed up to the year 1916 to select suitable lands for one reason or other.

As regards representation (b) G.O. No.R.2469-73/L.R.578-06-11 dated 5-11-1912 shows that the areas acquired in S.Nos.10, 16 and 5 of Annipur are as shown below:-

S.No. 10	Area taken	12- 00	1888	for Lal-Bagh Extension.
16	"	1- 50		
5	"	8-10	1893	Do.

Now 9 acres - 7 guntas out of the area of 12 acres acquired out of S.No.10 had been mortgaged to Lakkappa. The mortgage was recognised at the Inam Settlement. Simultaneously with the acquisition of lands in S.No. 10 an area of 1 acre - 5 guntas was also acquired for the extension of the Lal-Bagh out of S.No 16. A sum of R. 1500/- was awarded as compensation for the 12 acres acquired out of S. No.10 and a sum of R 140-10-0 for the area of 1 acre - 5 guntas acquired out of S.No.16. Total R. 1640/-. Out of this amount of R. 1640/- a sum of R. 1121-4-9 was paid to Lakkappa as per details given below:-

R 156-12-9 Mortgage money - principle - in respect of the portion mortgaged to Lakappa in S.No. 2 of Annipur.

R. 169-4-2 Interest thereon.

R. 564-0-0 Mortgage money - principle - in respect of the portion mortgaged in S.No. 10.

R 231-3-10 Interest thereon.

Total principle	R. 720-12-9
Interest	400- 8-0
Grand Total.	1121-4- 9

The balance of R 519-5-3 (R. 1640-10-0 minus R. 1121-4-9) was credited to Savings Bank Account No.6247 standing in the name of the Darga in the Bangalore Taluk Treasury.

As regards S.No.5 it measured 8 acres - 10 guntas assessed at R. 11/-; the entire S.No. was acquired in 1893; but an extent of 4 acres - 34 guntas out of that area had been mortgaged to one Mr. Garudachar by the Darga authorities prior to 1853. This mortgage was recognised and confirmed by the Inam Department on condition that the mortgagee should pay to the Darga a sum of R. 6/- annually towards quit-rent. A sum of R. 1447-12-0

Rs 1447-12-0 (Rs 1443-12-0 according to some statements in the file) was fixed as money compensation for the entire S.No. at Rs 175/- per acre. Out of this amount Rs 1443-12-0 a sum of Rs 848-12-0 was fixed as compensation for the lands in the possession of Mr. Garudachar and both the Darga authorities and the mortgagee were required to select lands to be given as exchange. Finally Government in their order No.R.4570-3/L.R.641-04-10 dated 25-9-1905 directed that 4 acres - 34 guntas out of S.No. 10 of Uttanahalli village should be purchased with the money of Rs 848-12-0 and the area granted to the Darga in exchan for the Inam land taken up on the same terms as those under which the the land taken up was held. As regards the amount of compensation which was payable to the Darga viz., Rs 595/- (R 1443-12-0 minus 848-12-0) in respect of the remaining area of 3 acres - 16 guntas (8 acres - 10 guntas minus 4 acres 34 guntas) there is nothing in the records to show that this amount was drawn and paid to the Darga. In this case also the non-payment seems to be due to the fact that there was an expectation of the Darga selecting suitable lands which however it did not do.

In 1915 the following lands were acquired:-

		A- G.	
Mavalli S.No.	18	1-10	Main gate of the Lal-Bagh.
	41	1- 9	

A sum of Rs 985-4-1 was awarded as compensation for the total area acquired (1 acre - 9 guntas plus 1 acre - 10 guntas). The entire amount has been credited on 29-6-23 to Savings Bank Account No.6247 standing in the name of the Darga in the Bangalore Taluk Treasury.

In 1918 an extent of 1 acre - 18 guntas in S.No. 38 of Dodbailknana village was acquired by the Municipality for Visveswarapuram extension. A sum of R 1743-6-5 was awarded as compensation for the lands acquired. As Jodi to the extent of R 52-6-5 was outstanding against the S.No. at the time of the acquisition the amount was deducted out of the compensation and the remaining amount viz., Rs 1743-6-5 minus Rs 52-6-5 i.e. Rs 1691/- was credited to Savings Bank Account No.6247 on 27-2-1922.

Again in 1920 an extent of 1 acre - 29 guntas in S.Nos.127 and 128 in Didbylakhana village was acquired by the Municipality for purposes of the Bamboo Bazaar Road and the present Jubilee Park. A sum of Rs 3049/- was aw awarded as compensation and the entire sum credited to the Savings Bank Account said above on 27-9-1921.

From the records it is found that S.No.3 of Annipur and 130 of Doddail-khana were acquired about the year 1887-8 but the compensation awarded

R 1858-14-7 was paid in part to the tenants or others entitled to R 418/- representing the value of land was ordered to be kept in deposi (vide G.O. No.6308-9-207/22-12-88) and the amount was credited to Savings Bank account on 5-1-1907.

Thus the only two instances so far traced in which the Darga has not been paid compensation or granted any lands in exchange are (1) In the case of S.No. 2 of Annipur Serial No.1 of the report comprising the extent of 9 acres - 18 guntas at R 100/- per acre and in which the compensation for the full area due to him as Lakappa has been reimbursed out of the compensation amount paid in other cases mentioned infra. (2) In the case of 3 acres - 16 guntas acquired out of S.No. 5 of Annipur at R. 175/- or R. 595/- deducting the area for which exchange land has been granted.

(c)The Managers of the Darga contend that the interest of R. 400-8-0 paid to Lakappa on his mortgage amounts in respect of S.Nos.2 and 10 of Annipur village for the period between the dates of dispossession and actual payment ought to have been paid from the State Funds and not from the compensation amount awarded for the Darga lands which ought properly to have gone to the Darga and that therefore this sum of R 400-8-0 must go to the Darga. It is to be mentioned that Government in their order No.8086/R.3133 dated 6-3-1896 ordered the payment of R 720-10-9 to Lakappa in redemption of his mortgage together with interest thereon at 6% per annum from the date on which he was dispossessed of the mortgage properties. It is found from the records that the amount of R 400-8-0 was paid to Lakappa out of R 1640/- awarded as compensation for areas acquired out of S.Nos. 10 and 16. This contention appears to be reasonable.

As regards representation (d). It is seen from the Savings Bank Account No.6247 said above (copy of account enclosed) that in the year 1907 a sum of R. 418/- being the balance of the amount of compensation awarded in respect of S.No.150 of Dodlylakhana village was deposited to the account presumably as per G.O. No.6308-9-267 dated 22-12-1888. Later on a total sum of R 6244-9-4 was deposited to the credit of the Darga from 1921 as follows:-

R 3049-0-0	27-9-1920	This represents the compensation paid to the Darga on account of 1 acre - 29 guntas acquired in S.Nos.127 and 128 of Dodbylakhana village in 1920.
R 1681-0-0	27-2-1922	This amount represents the balance of compensation amount paid in respect of 1 acre - 18 guntas of S.No.38 of Dodbylakhana village acquired in 1918.
R 985-4-1	29-6-1923	This represents the compensation paid for lands acquired in S.Nos.18 and 41 of Mavalli village in 1915.

Rs 519-5-3	31-8-1923	Balance of compensation amount paid in 1896 in respect of S.Nos.10 and 16 of Annipu village as stated above.
Rs 5244-49-4		

From the Savings Bank Account it is clear that on 7-6-23 only a sum of Rs 4865-3-2 was at the credit of the Darga in the Account. Out of this a sum of R. 4750/- was withdrawn on 7-6-23and invested in the purchase of 7% State Loan Bonds; the balance of R. 1494-9-4 is still in Savings Bank Deposit. After this sum of R. 4750/- was withdrawn on 7-6-23 for investment in in the 7 per cents, the two sums of R. 985-4-1 and R. 519-5-3 referred to above were deposited. The reason for the delay in the credit of these items from 1915 in the one case and R. 1896/- in the other is that these amounts which were in deposit had lapsed and had to be refunded and transferred to Savings Bank Account; so on 4-4-22 the alleged date of the Muzrai Secretary's letter to the Manager of the Darga, a sum of R 4975/- was not available at all for investment in the 7% State Loan. Therefore the representation of the Manager that a sum of R 225/- has not been accounted for does not require any consideration.

From the above it is clear that the authorities of the Darga rightly contend that the following items of money are due to the institution.

(1) Compensation amount.

1. 8 acres - 9 guntas	R 822-8-0
2. 3 acres -16 guntas	R 595-0-0
	R 1417-3-0

(2) Interest paid to Lakappa out of the compensation awarded. 400-3-0

R 1818-6-0

In addition to this interest in the case of item (1) from the date of dispossession and in the case of item No.(2) from the time of payment to Lakappa are claimed. It is not possible to calculate this at this distance of time. But it would perhaps be sufficient if a lumpsum amount say R 1000 is awarded to recompense the loss.

The total amount that would settle this long pending case would be R. 2818/-. This amount may be caused to be credited to the funds of the institution very early or lands at 1½ times the extent of lands are available near Bangalore or twice adjoining his Jodi village of Sarvamanya Bingipura in the Anekal Taluk, be granted in exchange for full settlement of this claim with a reasonable sum to bring the lands under cultivation -- which may perhaps also amount to R. 1000/-. But as the selection of lands further delay the final disposal of this very old and long pending

and would make it more complex, it may be better to settle the matter finally by paying off R. 2000/- adding to the Savings Bank Account of the Institution. This amount has to be paid out of the general Revenue as the Municipality has declined to pay it now and as the lands have been acquired (1) for the extension of Lal-Bagh and (2) for the Hindu and Mahomedan Burial ground.

The records bearing on the subject as noted in the margin* are enclosed.

* 1. Six files as per pherist.
2. Two petitions.

~~SIR,~~ M.O. 169

With reference to your letter No.252/Muz.125-21 dated 13th August 1931 enquiring how the award amounts of S.Nos. 2 and 5 of Anipur village, belonging to the Hazarath Attavulla Sha Darga near Lal Bagh have been dealt with, I have the honor to state that no more information could be traced than what is contained in my letter No.42/29-30 dated 26th June 1930 and the copy of the Deputy Commissioner's letter No.C3.248/28-29 dated 22nd February 1930 sent therewith. It will be seen therefrom that the award amount has not been drawn in respect of the area acquired out of S.No.2, i,e., 10-34 (a g). A sum of Rs.326-0-11 was no doubt paid to one Lakkappa, in redemption of the mortgage he held on a portion of it but as already reported this amount was paid out of the award amount, not of S.No.2, but of other S.Nos. i,e., 10 & 16 which also belonged to the Darga. The compensation thus payable for this S.No. amounts to Rs.1085/- at the rate of Rs.100/- per acre as fixed in G.O.No.2469-73/L.R.518-06-11 dated 5th November 1912 and G.O.No.R.12876-7/L.R.372-19-2 dated 11th May 1920.

So also as regards the award amount in respect of S.No.5. This S.No. consisted of 8-10 (a g) out of which an extent of 4-34 (a g) had been mortgaged to one Garudachar. Out of the compensation amount of Rs.1443-12- awarded for it, a sum of Rs 848-12-0 was drawn and paid to the said Garudachar in redemption of the mortgage. As there is no evidence to show that the balance of Rs.595/- due to the Darga was drawn and paid, it has to be presumed that this amount has also not been paid.

2. In this connection, I invite kind reference to the detailed report dated 18th January 1910 submitted by the Amildar(Mr.Hayes) and

and contained in the vernacular file sent herwith. The report answers the points raised in the Comptroller's un-official note and explains the previous facts of the case in sufficient detail. The report makes it abundantly clear that payment to mortgagees of portions of S.Nos.2 & 5 of Anipura was made out of the compensation amounts awarded for other lands of the Darga acquired and that the claim of the Darga for the amount due to it in respect of the two numbers was not finally settled in as much as no cash compensation or exchange lands was given.

3. I request early orders on the proposals contained in this office letter No.42/2J-30 dated 24th June 1930.

The Muzrai Commissioner in Mysore

Bangalore.

With reference to correspondence ending with your letter No.C.42/29-30 dated 5th January 1933 in respect of a part of the compensation amount said to be due in favour of Hazarath Attaulla Shah Durga near Lal Bagh, Bangalore City, I am directed to state as follows:-

It was ordered in Para 5 of Government Order No.R.2469-73/L.R.518-06-11, dated 5th November 1912 that, as there was a difference in extent acquired, the Deputy Commissioner Bangalore District should determine precisely the extent in S. No.2 of Anjur Village, Kasaba Hobli, Bangalore Taluk acquired and see that the compensation amount was paid to the Makan for the exact area taken up. Thereupon in your letter No.A.C.91/Gl. dated 14th April 1920 it was reported that a sum of Rs.1931-13-3 was due to the Makandar (as detailed in the statement which accompanied the letter) ~~was due to the Makandar~~ and orders requested to deposit the same in Government Savings Bank as requested by the Makandar. This was sanctioned in Government Order No.R.12876-7/Mux. 372-19-2, dated 11th May 1920. It is clear from para 11 of the Deputy Commissioner's letter No.H.C.663/20-21 dated 14th March 1921 addressed to the ~~Huzur~~ Muzrai Secretary (copy enclosed for ready reference) that the said sum was placed in the Savings Bank in the name of the Makan in May 1920. Then the question of investing the whole amount in the Mysore Government 7 per cent loan bonds was considered an

instructions issued to the Comptroller in Letter No.28 125-21-6, dated 6th December 1921 (Copy enclosed for refere (copy of which was sent to the Deputy Commissioner wit Memo No.2848 of the same date), to transfer the whole amount of Rs.4980-13-3 to the Loan Bonds. This amount is made up of Rs.1931-13-3 referred to above plus Rs.3049/- awarded for S. Nos.127 and 128 of the Makan acquired later on and referred to in the Deputy Commissioner's letter No.O.C.3477/20-21 of 30th July 1921 (copy enclosed for ready reference). Intimation of having arranged to transfer the Savings Bank amount to the State Loan Bonds was given to the Manager of the Durga in this Office Endorsement No.5521/Muz. 125-21-11 dated 4th April 1921 (Copy enclosed). Accordingly a sum of Rs.4975/- was transferred to State Loan Bonds (Vide letter No.478/S.L. 5285 dated 9th December 1921 addressed by the Comptroller to the Muzrai Secretary copy of which is enclosed for reference). It will thus be seen that there is unmistakable evidence in the connected records to show that the full amount of compensation in respect of S. Nos.2 and 5 referred to by you has been received and credited to the Makan.

In the above circumstances, I am to request that you may be so good as to submit a further report in the matter.

The entire records returned herewith.

Sir,

With reference to your letter No.C./2/29-30 dated 18th April 1935 and the subsequent D.O. letters of 24th July 1935 and 13th September 1935 about the compensation amount claimed on behalf of Hazarath Abtayallashah Durga, near Lalbagh, Bangalore City, I am directed to state that the definite statement made by the Deputy Commissioner in para 11 of his letter No.H.C.63/20-21 dated 14th March 1921 viz., that a sum of Rs.1931-13-3 was placed in the Savings Bank in May 1920 in the name of the Pakkan at the request of the Pakkandar cannot now be treated as incorrect merely because in one Savings Bank account relating to the institution, there is no credit between 1907 and 1923, and to request you to ascertain and state if there was only one account in the name of the Pakkan. I am to add that it is possible that there were more accounts as it sometimes happens that there will be an account in the name of the Amildar for an Institution, and another in the name of the Manager and so on. In these circumstances I am to request that this may be verified by a thorough search of accounts being caused to be made, and a further report submitted at an early date. The entire records received with your letter under advertence are herewith returned.

With reference to your letter No.637/Muz.125-31 dated 15-11-1935 enquiring whether there was only one S.B. Account in the name of the Amildar, furnished by the State Huzur Treasury Officer, was sent to the Deputy Commissioner for verification to find out if there were more accounts than one in the name of the Darga.

2. The Deputy Commissioner states that there is no other account in favour of the Darga, except, the one already ~~referred~~ referred to i.e S.P.Account No.6247.

Sir,

In continuation of this office U.O.No.280/S.B. dated 7-12-1937 re: the amount of compensation awarded to the Hazarath Attavallasha Darga near Lalbagh, Bangalore City, I have the honour to inform you that the Deputy Commissioner, Bangalore District, was addressed in this office letter No.277/S.B. dated 3-12-1937 asking him to intimate (a) the particulars of the account and the Treasury to which the amount of Rs.1931-13-3 was remitted and (b) the month and the year in which the amount of Rs.1931-13-3 was credited as initial deposit, if any new S.B. Account was opened, and the pass book, if any, may be forwarded He stated in reply in his No.C 3.4152/32-33 dated 16-2-1938 (copy enclosed) that out of the award amount of Rs.3901-14-0, a sum of Rs.1970-0-9 only was paid and a sum of Rs.519-5-3 appears to have been credited to S.B. Account of the Darga viz., Account No.6247 on 31-8-23. It cannot be said definitely now how it was reported then that the entire sum of Rs.1931-13-3 was credited to S.B. Account No.6247, which is perhaps a mistake. This credit for Rs.519-5-3 appears in the S.B. Accounts maintained in this office. In his letter No. C3.4152/32-33 dated 21-4-1938 he explains that the available records in his office show that the sum of Rs.3901-14-0 appears in the accounts of the Darga in the year 1888, the date of which is not ascertainable at this dis-

distance of time and that only a sum of Rs.1,970-0-9 appears to have been paid at different times, as shown below:-

1. March 1898 paid to one Lakkappa mortgagee of S.No.10 and 16 of Annipur.	1,121- 4-9
2. Paid to Garduachar mortgagee of S.No.5 Annipur in 1898.	848-12-0

Re: the amount of compensation awarded to the Hazarath Attavallasha Darga near Lal-bagh , Bangalore city.

With reference to your letter No.27//S.B. dated 3-12-37 requesting to furnish certain particulars on the above subject, I have the honour to state that there is no other S.B. Account opened in favour of the above institution, than the one referred to in your letter under reply and to add tnt it is seen from the other available records in this office that out of the total sum of Rs.3901-14-0 awarded as compensation for portions of S.Nos.2,5 10 and 16 of Annipura village, belonging to the above Darga, a sum of Rs.1970-0-9 was paid to the previous mortgagees of the land, leaving a balance of Rs.1931-13-3 which is the amount referred to in this office letter dated 14-3-31 mentioned by you. Out of this only a sum of Rs.519-5-3 appears to have been credited to the S.B. Account of the Darga viz., Account No.6247 on 31-8-23, leaving a balance of Rs.1412-8-0. It is ascertained from local enquiry that this amount still remains to be paid to the Makkandar which he is claiming even now. In the light of these circumstances, it cannot be said definitely now how it was reported then that tne entire sum of Rs.1931-13-3 was credited to S.B. Account No.6247 which is perhaps a mistake.

Subject:- Re. the payment of the compensation amount said to be due to the Hazrath Attaullah Gha Darga near Lalbagh, Bangalore City.

With reference to correspondence ending with your Memo No.C.42/29-30 dated 22nd December 1938 requesting me to point out the source from which the above compensation amount might be paid, I have the honor to invite your kind reference to this office letter No.C3-4152/32-33 dated 1st April 1935, wherein it has been clearly reported that at this distance of time it was not possible to state as to who should meet this amount. The purpose for which the lands in question were acquired was for the formation of the Hindu Burial Ground and the extension of Lalbagh. It is therefore suggested that the balance of compensation due to the Darga viz., Rs 1412-8-0 may be ordered to be met out of the funds of the Bangalore City Municipality and the Gardens Department in equal proportions.

ORDER NO. 15 28-30/Mu3 125-21-50

Dated, Bangalore, the 14th/16th March 1939.

The Deputy Commissioner, Bangalore District, and the Muzrai Commissioner have reported that out of the above compensation amount a sum of Rs.519-5-0 has already been credited to the Institution and that there is still a balance of Rs.1,412-8-0 which is due to the Durga. The Muzrai Commissioner has requested that this amount may be ordered to be paid to the Durga, the amount being met from State funds as the lands were acquired for a public purpose. In spite of the protracted correspondence and the long investigation, it has not been possible to ascertain why the amount remained unpaid so long, and what happened to the amount if any deposited by the Departments concerned towards compensation. It is however found that the Durga has not been credited with this amount. In these circumstances Government are pleased to sanction the Muzrai Commissioner's recommendation and to direct that a sum of Rs.1,412-8-0 (One (One thousand four hundred and twelve and annas eight only) be credited to the Institution. With reference to your personal instructions in the matter of tracing out certain old references relating to the disposal of the Compensation amounts awarded for the acquisition of certain Inam lands belonging to the Ahalla Sha Dargah near Kalbergh, I beg to state as follows:-

On the strength of the old Current number furnished to me by you, I could trace out that a matter related to the interpellation of one Mr Channaiya in 1921 about the non-payment of Compensation to the Dargah. The Dist. Office file relating this subject has been destroyed as it had been given its disposal. On further attempts having been made in this direction I could trace out another dispd file of 1920 bearing No. R.Dis No 19/19-20 Dated 20.5.20, according to which, Govt in their order of 11th May 20, permitted the deposit of Rs 1931-1.3 in the SB Deposit in the name of the Dargah orders were accordingly issued to the Civil Officer Bangalore, to instruct the Bangalore Bank to credit this amount to the SB Account I got the old SB. pass book No 6247 relating to the Makran and on perusal of it I find no entry of this amount in the book subsequent to that date But my further search to trace out any other references relating this subject were in vain. I have however been trying to get the old Vernacular records (5 files) referred in this Office R.Dis No noted above from the Taluk Office and am personally attending

affair to get any references out in the Bangalore Taluk Records. I have requested the Special Taluk Shirastedar to help me in this matter. I had no doubt a number of reminders from Mr. Seetharamaya of the Mysore Secretariat and the matter is being delayed on account of the old references not being traced readily. I am making my best efforts to get at the old papers of the Taluk Office and as soon as further references are traced I shall submit for your kind information, any further materials necessary for the disposal of the question.

Yours Lakshminaranah
